CIRCUIT INFO:

Andalucia and Almeria circuits are right next door to each other (literally on opposite sides of the same paddock!) and both offer an addictive mix of corners and elevation changes that combine to give a real "roller-coaster ride" effect. The 9km Espana circuit is created by joining the 2 circuits together to form one very long lap with 2 pit lanes that can be used simultaneously! For more details on the Andalucia and Almeria circuits use the "click for details" link next to any of the Andalucia or Almeria events listed on our website.
