MORE INFO (applies to all events):

EVENT FORMATS vary but regardless of the format we aim to provide 6 x 20-minute sessions per group per day. VIP events have fewer riders, and prices vary according to the max. number on track (fewer riders = a higher price).

TRACK DAY PRICES include live timing, use of transponder, access to lap times, groups arranged by lap time and shared space in a garage/box.

CLUB TS MEMBERSHIP offers discounted event prices with options for UK bike transport (bikes go out in Oct and return early May) with storage in Spain over the winter season. Transport from circuit to circuit in Spain/Portugal is then provided as required. Club TS Membership starts from £300/year (see website events page or contact us for details).

A LATE BOOKING FEE of £10/day applies for all bookings less than 14 days before the event.

FLY-RIDE PRICES include track days (as above), bike rental (2024 S1000RR), fuel, tyres (Metzeler TD Slick) & drinks/snacks at the circuit. Tyre warmers & paddock stands are also provided. Your damage liability for the bike is €4000 (approx. £3450).

RENTAL BIKES (2024 S1000RR with €4000 damage liability) are available – contact us for details.

UK BIKE TRANSFER (transport) is available at extra cost for selected events, but this must be booked at least 2 weeks before the event. For more info, see the separate list of events with UK bike transport, which you will find on our website (events page).

HOTEL ACCOMMODATION can be provided for all Jerez and Almeria/Andalucia events.

For Jerez we use a 4-star hotel 1 min. from the circuit. Twin/double rooms are £40pppn and single occupancy rooms are £65pn. Breakfast is included and free parking is available.

For Almeria/Andalucia we use a 4-star spa hotel on the beach near Almeria (the best in the area). Twin/double rooms are £50pppn and single occupancy rooms are £80pn. Accommodation is half board with breakfast, dinner, and 20% discount at the bar & spa included. Free parking is available. We may also offer hotel options for other circuits when available.
